PRIME

palette

AXPROCONCEPT

Our **Fast Track** programme contains three colour palettes: **VIVAT, PRIME, EARTH**. This designing brochure presents design inspirations for the Fast Track programme based on the colour palette **PRIME**.

The **PRIME** palette contains 16 colours shown below. The palette is a composition of golden beige, blue, red and green tones dedicated to elaboration of classical designs but also interpretation of present perception of classics. This allows free creation of beautiful and various designs. You can choose any design from the catalogue or modify any of them in almost unlimited way. You can also treat the designs as a source of inspiration in order to elaborate individual designs suited to the client's expectations.

Selecting a Fast Track programme means choosing one of three colour palettes: **VIVAT, PRIME, EARTH**.

palette PRIME

Designing and production in the Fast Track programme guarantees lower prices and fastest production lead time.
